Aqua Park MEDITERAN

The Aqua Park of the Mediteran Hotel is a true aquatic realm of good fun and smiles, the most sincere, childish ones. However, it is not only children who are eagerly and joyfully coming to this place, because everything that it provides is almost equally enjoyed by adults. Take your place under the sun, order your favourite cocktail, relax and enjoy in carefully selected music hits.

This place, in many ways unique in Montenegro, covers 7,500 square meters, of which the water area occupies as much as 1,300 square meters. In a beautiful setting rich in palm trees, you can enjoy 7 swimming pools, and there are 10 attractive slides for all those who love excitement. Some of the pools are specially designed for the youngest, and the depth and structure are adapted to their safe play.

Treat your senses to the scents and flavours of the Mediterranean

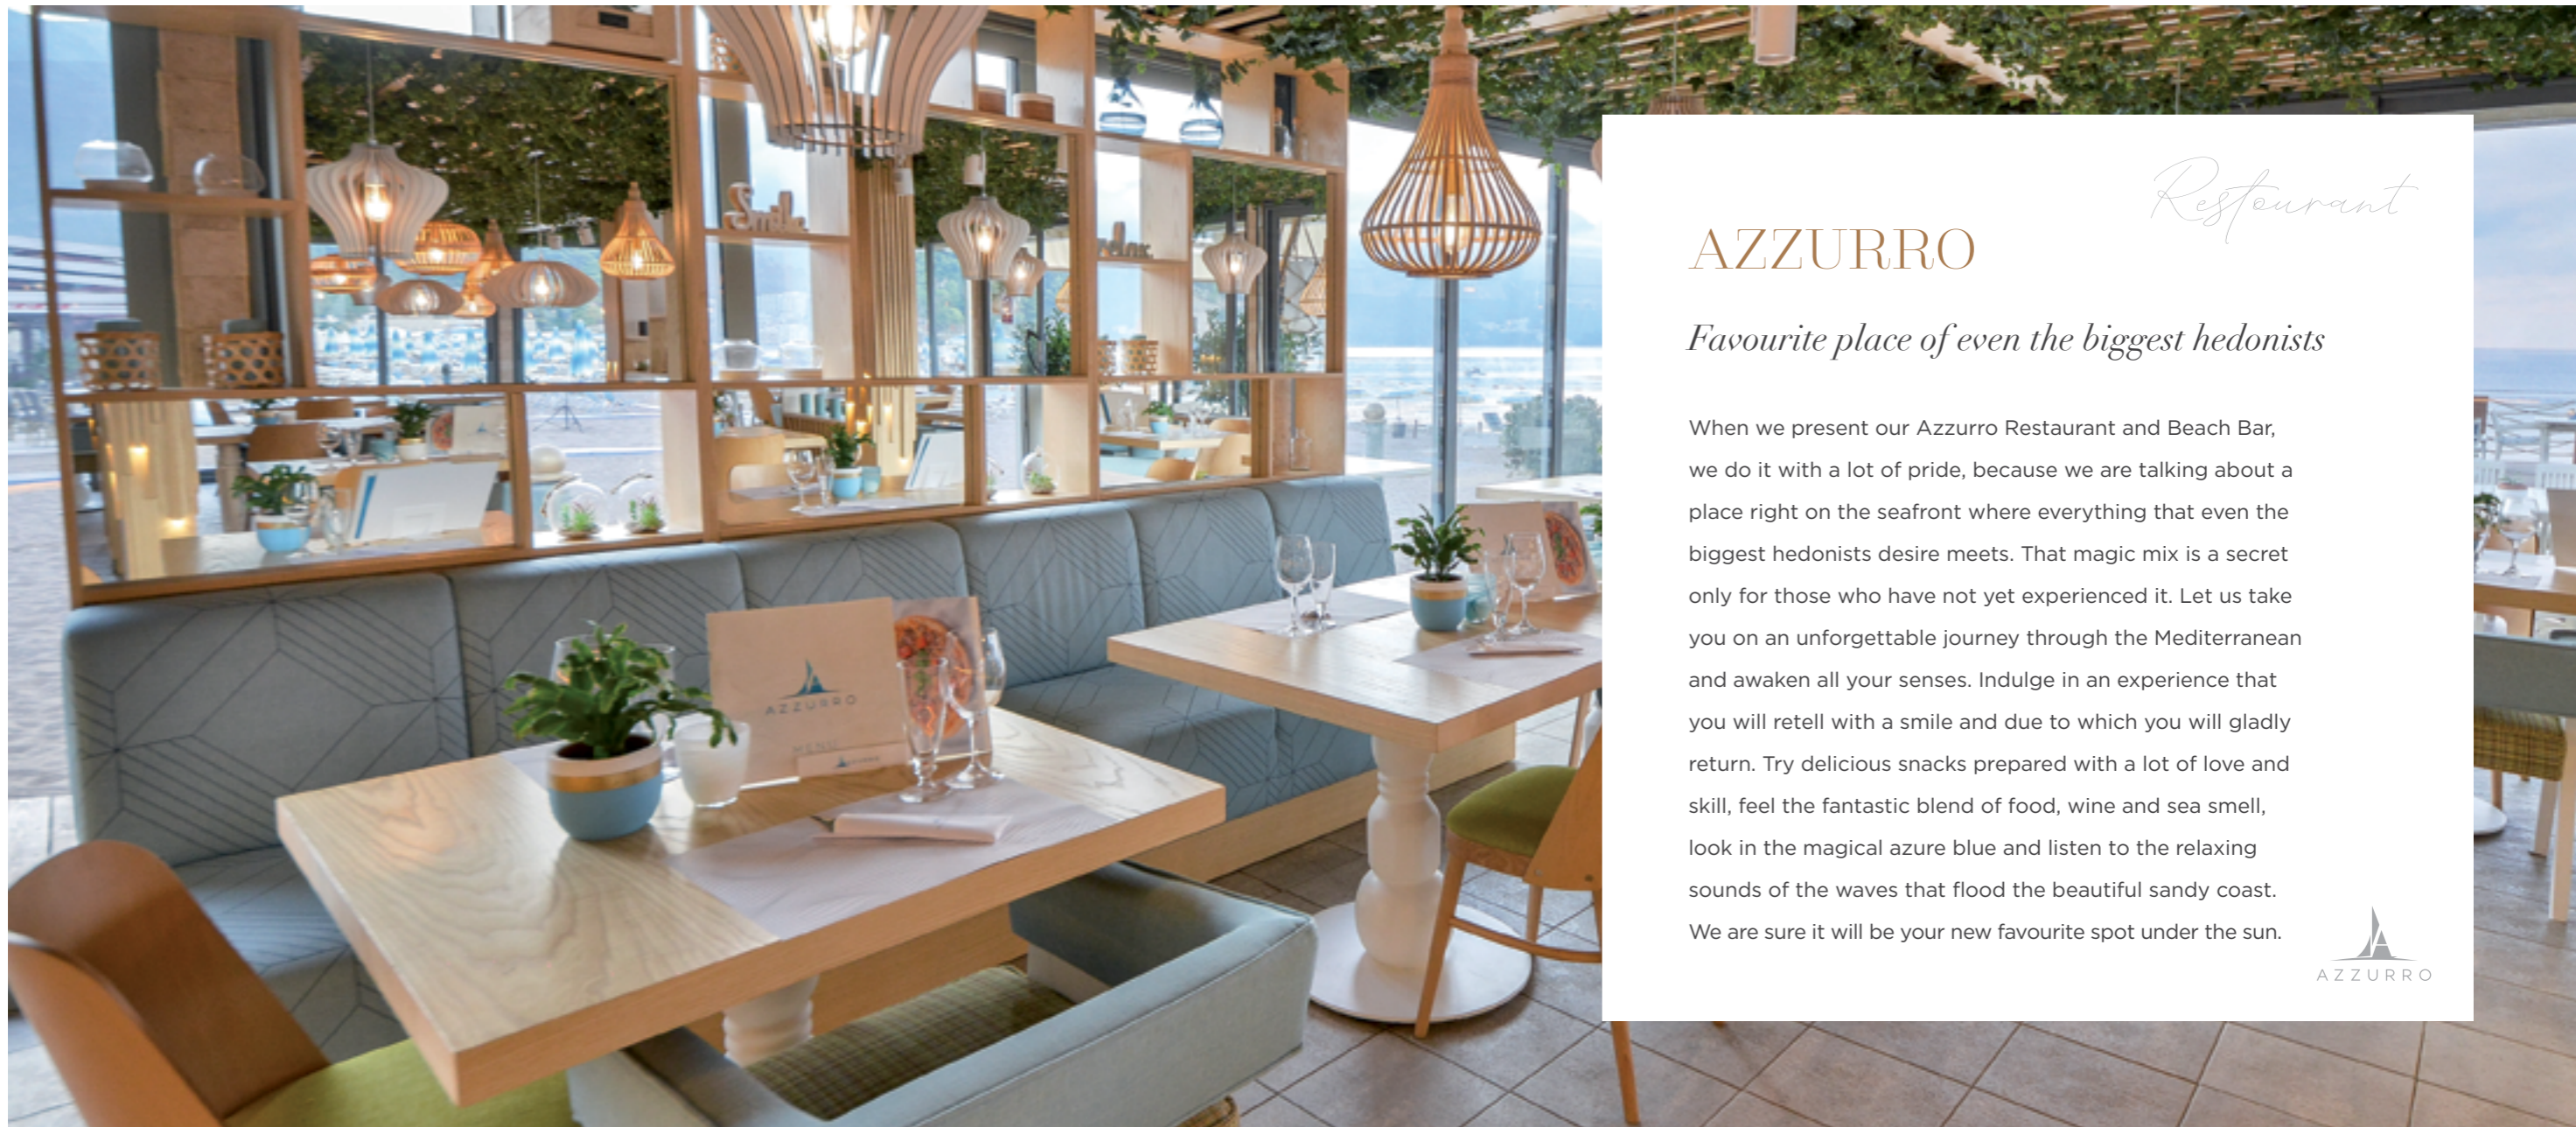

The gastronomic empire of the Hotel Mediteran is comprised of four fantastic restaurants that will enchant you and overwhelm you in each in its own way.

The styles make them different, but what they have in common is superb cuisine, impeccable service and a welcoming atmosphere.
